

Dear Master Athletes,

We are excited to welcome you to the 22nd Asia Masters Athletics Championships (AMAC), which will be held from November 8th to 12th, 2023, at the beautiful New Clark City in Capas, Tarlac, Philippines. As you make your preparations for this prestigious event, we would like to provide you with a convenient and enjoyable accommodation experience through our recommended hotel partners.

To ensure your comfort and convenience during your stay, we have partnered with several hotels in close proximity to the event venue. These hotels have been carefully selected to meet your needs and offer special AMAC rates exclusively for our participants. The attached document provides a list of our recommended hotel partners along with information about their special rates and inclusions.

We kindly request that you make your accommodation reservations through the official AMAC Philippines website to take advantage of the special AMAC rate. Unfortunately, direct bookings with the hotels by individual athletes will not be eligible for the discounted rate. Therefore, we encourage you to visit the AMAC Philippines website and follow the registration process to secure your accommodation at the special rate.

Please note that availability is limited, and reservations will be processed on a first-come, first-served basis. We highly recommend booking your accommodation as early as possible to ensure availability and to benefit from the exclusive AMAC rates.

In addition to the convenience of staying close to the event venue, the recommended hotels offer a range of amenities and services to enhance your stay. Whether you prefer luxury accommodations or comfortable budget options, you will find a variety of choices to suit your preferences.

We will be sending another email soonest to give you the steps in reserving and confirming rooms in your chosen hotel.

If you have any questions or require further assistance, please do not hesitate to reach out to our dedicated team through the contact information provided on the AMAC Philippines website.

We look forward to hosting you at the 22nd Asia Masters Athletics Championships and providing you with a truly exceptional experience. Secure your accommodation now and make the most of your time in New Clark City!
